

ALL IRELAND SCHOOLS SLIGO 5th March 2016

SLIGO RACECOURSE

Minor Girls: Clodagh Monahan 46th with her Waterpark team 6th. Fantastic result to be in the top 50% from a girl who has made her first All Ireland.

Junior Girls: Tara Ramasawmy a magnificent 23rd. Great run from this athlete who was returned to running after a year off with injury. This time last year she could barely walk with pain. A lot has been achieved.

Senior Girls: Fantastic run from Michelle McDonald 34th place. This athlete has been having a great year and is finding running the perfect remedy for the brain power needed for her leaving cert this year.

Senior boys: Jonathan Crowley finished 55th in a highly competitive race. His De La Salle team finished 6th.

Oliver mullally was on the AIT team that finished 2nd in the University championships which were also held in Sligo the same day. Good to see some juveniles coming through in their athletics after juvenile level.

It is a wonderful achievement to make an Ireland Championship and better still when you have worked so hard to achieve it. Well done to all the athletes.
